

MUHAMMAD ZHARFAN TASHBIR THARIQI

Bogor, Jawa Barat • zharfan3264@gmail.com • 0858-1472-0186 • [LinkedIn](#) • [Portfolio](#)

PROFESSIONAL SUMMARY

Junior Network Engineer with hands-on experience in Cisco and MikroTik networking, IT support, and network deployment. Certified in MikroTik (MTCNA, MTCRE) and completed Cisco Networking Academy CCNA curriculum. Focused on routing, switching, troubleshooting, and enterprise network implementation.

PROFESSIONAL CERTIFICATIONS

- MikroTik Certified Routing Engineer (MTCRE) | Credential ID 2511RE7545 | Nov 2025 - Nov 2028
- MikroTik Certified Network Associate (MTCNA) | Credential ID 2510NA7911 | Aug 2025 - Aug 2028
- Cisco CCNA: Enterprise Networking, Security & Automation | Cisco Networking Academy | Apr 2026
- Cisco CCNA: Switching, Routing & Wireless Essentials | Cisco Networking Academy | Mar 2026
- Cisco CCNA: Introduction to Networks | Cisco Networking Academy | Jan 2026
- BNSP Certified Junior Technical Support Data Center | Reg. No. J.960 00051 2025 | LSP SMK Negeri 1 Balikpapan | Jul 2025 – Jul 2028
- BNSP Certified Junior Technical Support | Reg. No. J.960 00019 2025 | LSP SMK Negeri 1 Balikpapan | Jul 2025 – Jul 2028
- Network Fundamentals Certification | Aguna Course | 2025

PROFESSIONAL EXPERIENCE

Bootcamp Instructor | Politeknik IDN Bogor

Nov 2025

- **Network Training Program:** Designed and delivered a 2-week MikroTik (MTCNA/MTCRE) bootcamp for 25 participants, covering OSPF Multi-Area routing, EoIP tunneling, and Firewall/NAT configuration. Improved average assessment scores by 40% through structured, hands-on laboratory sessions.

IT Support | CV. Putra Mahkota Technology

Apr – Jun 2024

- Diagnosed, repaired, and validated 50+ client devices (printers, laptops, PCs) while assembling 15 custom PCs and deploying LAN infrastructure — UTP cabling, IP CCTV configuration, and OS installation — across 5 client sites.
- Authored standardized device configuration documentation to streamline technical handover across sites.

FEATURED PROJECTS

Campus RT/RW Network Deployment | Network Engineer (Academic Project)

2025

- **Campus Network Deployment:** Designed and deployed a campus ISP-style network integrating 3 MikroTik routers, 50 meters of fiber optic cabling, PPPoE authentication, DHCP services, and hotspot voucher management to provide reliable connectivity for student users.
- Monitored network traffic and connection stability using Winbox and The Dude to maintain uptime for 3 client connections. (Installation process documented in portfolio.)

Network Curriculum & Lab Module Development | Politeknik IDN Bogor

2025

- **MikroTik Reference Guide:** Authored "Basics of Computer Network Science," a MikroTik MTCNA reference guide covering RouterOS fundamentals, routing, bridging, firewall, and NAT concepts for student use.
- **CCNA Lab Module:** Designed and validated 10 enterprise-level CCNA lab scenarios — VLAN, Inter-VLAN Routing, STP, EtherChannel, OSPF, ACL, NAT, and DHCP — using Cisco Packet Tracer, GNS3, and PNetLab, published as the "Sahabat SuperLab" module and used as a final-semester defense reference.

TECHNICAL SKILLS

Routing & Switching: OSPF, EIGRP, RIP, Static Routing, VLAN, Trunking, VTP, STP, EtherChannel, Port Security, HSRP, VRRP

Network Services: DHCP, NAT, ACL, Hotspot, VPN Tunneling, QoS, Subnetting, TCP/IP

Network Security: MikroTik Firewall Chain, Firewall Rules, Network Diagnostics

Monitoring & Troubleshooting: Winbox, The Dude, Wireshark, Ping, Traceroute, Torch

Virtualization & Tools: Cisco IOS, Cisco Packet Tracer, GNS3, PNetLab, VMware, PuTTY, Microsoft Office

Operating Systems: Windows, Ubuntu (Linux)

EDUCATION

D4 Teknik Rekayasa Komputer Jaringan | Politeknik IDN Bogor

Jul 2025 – 2029

- **Relevant Coursework:** Completed enterprise networking projects covering OSPF, VLAN, STP, ACL, NAT, DHCP, and MikroTik RouterOS implementation through Cisco Packet Tracer, GNS3, and PNetLab laboratory environments.
- Current GPA: 3.55 / 4.00.

Teknik Komputer dan Jaringan | SMKN 1 Balikpapan

Graduated 2025

- Focus: Network Fundamentals, Computer Hardware Assembly & Maintenance, OS Installation & Configuration, Structured Cabling & Network Infrastructure.

LANGUAGES

Indonesian: Native

English: Professional Working Proficiency (B2)
